9. The contract for supplies shall be entered into for the whole of 12 months of the year 1924 at the end of which alone final adjustment of accounts will take place. In the meanwhile to facilitate supplies, advances to the extent of the value of supplies made in a month, will be made to the contractor at the end of that month, by which time, bills with vouchers must be submitted duly signed by him (contractor) in the presence of the Superintendent. The amounts thus advanced will be set off against the amount payable to the contractor at the end of twelve months for things supplied by him. These advances are not liable to be attached by Civil Courts.

10. Store rooms will be made over to the contractor in which he can keep all non-perishable articles, of which not less than one month's supply must always be in store, *i.e.*, the quantity in stock on any day should be not less than a month's supply. In the last month of the contract, the quantity in stock may however be just sufficient to last to the lapse of the contract. The Government shall have a lien on the grains, etc., stored from time to time by the contractor on the Jail premises, for the amounts advanced to him from time to time. Perishable articles such as vegetables, mutton, etc., must be at the Jail by 7 A.M. daily.

11. A fine not exceeding Rs. 50 will be levied at the discretion of the Superintendent of the Jail and subject to the approval of the Inspector-General of Prisons in each case for any infringement of the stipulation of the contract or for the supply of inferior articles, and if frequently violated, the contract may be annulled and the security confiscated to the Government.

12. The decision of the Inspector-General of Prisons will be final in all questions of infringement of contract.

13. Ordinarily the contractor will not be asked to supply vegetables daily, unless the Jail garden fails, in which case he has to supply them at the rate quoted in his tender. The cost of vegetables will be excluded for consideration, when various tenders received are to be compared.

14. The contractor whose tender is approved must bind himself to supply at ruling market rates any other article required for Jail use although not tendered for.

15. Any further information can be obtained by applying to the Superintendent of the Jail.

16. The accepted tender will be subject to confirmation by the Inspector-General of Prisons in Mysore, who reserves to himself the right of rejecting all or any of the tenders.

17. If the contractor is unwilling or unable to carry out his agreement, he shall give at least one month's notice and shall be liable to forfeit the security money to Government.

18. The contractor will also be bound to make good to Government any loss which may arise from his failure or by Government having to purchase the articles specified in the contracts in the local markets at higher rates than those contracted for. All condemned articles should be removed immediately out of the Jail premises by the contractor. Otherwise the same will be put outside the Jail gate at contractor's risk. The contractor or his agents shall have no direct dealings whatsoever with prisoners, whether engaged in cleaning ration articles or otherwise.

N. B.—No concession of any kind will be allowed in the contracts.
